

Ittabena Lodge Fishing Rules and Regulations

This section of Mountain Town Creek is privately managed and the following rules and regulations apply:

*We try very hard to maintain a good trout population and this section of Mountain Town Creek is **Catch & Release Only**.*

*Fishing is limited to **Fly Rods Only with Trout Flies having Single Barbless Hooks**. Spinning rods, spinning fly rods, spinning lures are prohibited unless under the age of 12..*

All anglers must have a valid Georgia fishing license.

***IMPORTANT:** Fishing with corn, worms or other bait products is not permitted nor are Artificial Lures allowed. These bait products and barbed hooks make it impossible to release the fish without harming them.*

Fish caught should be handled minimally, returning them to the water as quickly and gently as possible.

The property owners along this section of Mountain Town Creek are committed to preserving and protecting the trout contained in these waters.

*If violations of the fishing regulations are noted by the management company or one of the adjoining property owners it **will lead to forfeiture of the security deposit and immediate termination of your rental!!!***

*I/We hereby accept and agree to abide by the rules and regulations as set forth above for **Ittabena Lodge**.*
